

WOLFEBORO

NEW HAMPSHIRE

ANNUAL REPORTS

Of the Town, Water and Sewer Department,
and Municipal Electric Department

For the Fiscal Year Ending December 31, 1962

Vital Statistics for 1962

DEDICATED TO THE MEMORY OF
WAYNE L. PARKHURST

IN MEMORIAM

WAYNE L. PARKHURST

Wayne Louis Parkhurst was born in Columbia, New Hampshire, March 14, 1903, son of George and Kate Jeanette (Merrill) Parkhurst. He was employed seventeen years by H. P. Hood Company in Charlestown, Massachusetts, before coming to Wolfeboro twenty-one years ago to join the Brummitt Insurance Agency. He is survived by his wife, Dorothea (Brummitt) Parkhurst, a daughter, Mrs. Irving Roberts of Alton, and three grandchildren, Tommy, Barbara, and John Roberts.

Wayne was a member, treasurer, and a former deacon of the First Congregational Church; member of the Morning Star Lodge, F & AM; Wolfeboro Historical Society; Rotary Club; and the Lake Shore Grange.

At the time of his death, he was a Commissioner of the Wolfeboro Water and Sewer Department, having served in this capacity for the past six years. He had served Wolfeboro as Town Clerk for fifteen and a half years, and as Selectman for six and a half years; also, as Treasurer for Carroll County.

Wayne shall be missed as a husband, father, public servant, and as a friend.

RECORD OF ANNUAL TOWN MEETING

March 13, 1962

Brewster Memorial Hall, Wolfeboro, N. H.

10:00 A. M.

Pursuant to the foregoing warrant, the meeting was called to order at 10:00 A. M. by Moderator Robert F. Thurrell.

Miss Rena Piper, who had been duly appointed and sworn in acted as Temporary Town Clerk.

The Moderator read the first three articles of the Warrant. Moved by Osborne Abbott and seconded by Howard Stevens, that the reading of the balance of the Warrant be omitted at this time. Motion carried.

Article 3, moved and seconded that the Selectmen appoint all other Town Officers and Agents. Motion carried.

Balloting for officers was conducted from 10:00 A. M. to 7:00 P. M.

7:00 P. M.

Meeting called to order by Moderator Robert F. Thurrell. Wayne L. Parkhurst, regular Town Clerk, acting in his official capacity.

Norman Hale moved that we dispense with the reading of the Warrant in its entirety at this time, provided that each article be read in full before being acted upon. Motion seconded and carried.

Edward Zulauf moved that the balloting be suspended while the articles in the Warrant are being taken up, and that polls be reopened afterward to allow everyone to vote who wishes. Motion seconded and carried.

Article 4, relative to selling of property taken by tax title or otherwise by the Selectmen, was adopted.

Article 5, relative to discounts on taxes if paid before December 1st was adopted.

Article 6, relative to authorizing the Selectmen to hire money in anticipation of taxes, was adopted.

Article 7, relative to authorizing the Tax Collector to appoint a Deputy, was adopted.

Article 8, to see if the Town will approve and adopt the recommendations of the Budget Committee and raise and appropriate the various sums contained in the report and listed in the Budget.

Joseph I. Melanson moved that the Town approve and adopt the recommendations of the Budget Committee and raise and appropriate the various sums contained in the report and listed in the Budget, subject to the limitations imposed under Articles 9, 10 11, and 12. Motion seconded.

Mr. Zulauf stated that there was an error in the budget as printed in the Town Report on page 30, under Indebtedness, Payment on Principal of Debt: Long term notes, the figure should be changed to read \$18,148.39, and moved that the budget be amended accordingly. Motion carried.

Vote was called for on Mr. Melanson's motion subject to Mr. Zulauf's amendment. Vote was favorable and motion carried.

Article 9, relative to authorizing the Water and Sewer Dept. to borrow not to exceed \$40,000.00 to be expended for specific projects.

Jim Wales moved that action under Article 9 be delayed until the meeting had voted on Article 17. Motion seconded and carried.

Article 10, relative to reconstruction of Forest Road. Mr. Melanson moved the adoption of the article. Motion seconded.

Moderator announced that 2/3 majority is necessary to borrow by serial notes. Vote taken by voice vote which was questioned.

Vote taken by show of hands which resulted in 154 voted for and 126 against. Vote questioned.

Vote was taken by written ballot, resulting in 177 for and 175 against. Moderator ruled that the necessary 2/3 majority to pass the article was not received and the article was NOT approved.

Article 11, Adopted, and \$1,500. was raised and appropriated to relocate the curve at the north end of Varney Road.

Article 12, Adopted by voice vote by over 2/3 majority, and an amount not to exceed \$18,200.00 was raised and appropriated for the purchase of a new Highway Truck, said sum to be raised by five serial notes.

Article 13, relative to rescinding a vote taken in the 1934 Town Meeting having to do with plowing of driveways and the fees for said plowing, was adopted.

Article 14, was adopted, and the Sanitation Committee was thereby abolished and the functions of said commission placed in the Board of Selectmen.

Article 15, relative to insurance. Jim Wales moved as follows: To: Amend Article 15 by adding section (d): To determine if the Town will vote to authorize the Selectmen to divide all Town insurance equitably among the licensed insurance agents having established offices within the Town of Wolfeboro.

Moderator Thurrell refused to recognize the amendment on the basis that the Board of Selectmen and the Commissioners of the various departments should be free to use their own judgment in the matter.

Richard Clark moved that the second sentence in section b. be amended to read "The limits of the comprehensive liability policy or policies to be NOT LESS THAN \$100,000.00/\$300,000.00 bodily injury and \$25,000.00 property damage. Motion seconded and passed. Motion was made and seconded that article 15 as amended be adopted. Motion carried.

Article 16, relative to title and use of certain portions of Route 28 was adopted.

Article 17, Howard Avery moved that the Town adopt AS FAR AS PRACTICAL, the recommendations of the study committee created by Article 13 of the 1960 annual Town Meeting, that a vote of thanks be given to the committee, especially to Mr. Hubbard, and to ask the committee to continue to function. Motion seconded and carried.

Article 9. Howard Avery explained that after the article was made up, the Commissioners learned that a clorinator would cost around \$15,000. rather than \$8,000. It was voted to amend item 1 to read \$15,000.00. After some discussion it was voted to strike out item No. 4. The article was then passed as amended, and the Water and Sewer Department was authorized to borrow not to exceed \$39,100.00 on ten-year serial notes, and the selectmen were instructed to sign the necessary notes and forms to effect the loan.

Proceeds of said loan to be extended for the following purposes.

1. Clorinator for water supply as required by the State Board of Health	\$15,000.00
2. Replace present 4" C. I. pipe on Center Street with 6" C. I. pipe	6,800.00
3. New 6" C. I. pipe on Canopache Road	5,500.00
4. Repayment of loan to Town of Wolfeboro	11,800 00
	<hr/>
	\$39,100.00

Article 18, relative to land near Beach Pond. On a motion by Geo. Walker, it was voted to pass over the article.

Article 19, George Mitchell moved to strike out the following from Article 19, section b "to prepare a long range plan for the growth and development of the Town, and in particular the growth and development of the Back Bay area." Motion defeated. A vote was then taken on Article 19 in its original form and the Article was adopted.

Article 20 was adopted.

Article 21, Moved to adopt the Article. Motion carried. Russell Claflin read and explained the proposed changes to the Wolfeboro Planning and Zoning Ordinance recommended by the Wolfeboro Town Planning Board and posted with the Warrant at Brewster Memorial Hall and the United States Post Office in Wolfeboro. He then offered the following amendment which was adopted.

Amend Article 21 of the Warrant by inserting in the proposed new first paragraph of ARTICLE VII of the Wolfeboro Planning and Zoning Ordinance, immediately before the last sentence of said paragraph, the following new sentence:

The Board shall also make a reasonable endeavor to notify abutters or any others that may have known direct interest in the proposed use so that all views may be presented in advance of their decision.

WOLFEBORO TOWN PLANNING BOARD

Russell G. Claflin, Chairman

Vote was then taken on amended Article 21, which was favorable and therefore passed with amendments.

Article 22. The proposed amendments to the Wolfeboro Planning and Zoning Ordinance were explained by George Mitchell. Motion was made and seconded to pass over the Article. Voice vote was taken which was unanimous in favor of Passing over the Article.

Article 23, was adopted, and the sum of \$600.00 was raised and appropriated to rebuild River Street.

Article 24. Was adopted and the sum of \$2,000.00 was raised and appropriated to rebuild and tar Cotton Mountain Road.

Polls closed at 10:25 P. M. Meeting adjourned at 12:30 A. M. March 14th.

The following Officers were sworn in, in open meeting:

Wayne Parkhurst,	Town Clerk
Harold Thompson,	Constable
Edward Zulauf,	Selectman
W. Fred Tuttle,	Library Trustee
Alvin White,	Police Commissioner
John Corson,	Parks & Playgrounds Com.
Noyes Moore,	Overseer of the Poor
Clifford Stockbridge,	Highway Agent

SPECIAL TOWN MEETING

Wolfeboro, N. H.

Brewster Memorial Hall 7:30 PM

October 9, 1962

Pursuant to the foregoing Warrant, the Meeting was called to order by the Moderator, Robert F. Thurrell, and the Warrant was read.

The following articles were considered:

Article 1. To determine if the Town will authorize the Selectmen to exchange for other property, or assign to the exclusive use of the Wolfeboro Municipal Electric Department the Bell Shop on Factory Street, Wolfeboro, New Hampshire, (formerly rented to Malone Knitting Company). In the event of such exchange, or assignment, the said Electric Department to have the full benefits as well as all duties and all future liabilities for said Bell Shop, including unpaid notes of \$800.00.

Motion made and seconded to adopt the article as read. Vote was unanimous. The moderator declared it a vote in the affirmative.

Article 2. To determine if the Town will authorize the Commissioners of the Wolfeboro Municipal Electric Department to exchange for other property, or transfer to the Town, the property known as the Avery property on Factory Street, and in the event of such transfer, to authorize the Selectmen and the Commissioners of said Electric Department to do all that is necessary to perfect said sale exchange or transfer as well as title thereto.

Motion made and seconded to adopt the article as read. Vote was unanimous. Moderator declared it a vote in the affirmative.

Article 3. To transact any other business that may legally come before this meeting.

No further business, meeting adjourned at 7:50 PM.

ALICE A. COLE

Town Clerk

SPECIAL TOWN MEETING

December 20, 1962

Pursuant to the foregoing warrant the meeting was called to order by the moderator Robert F. Thurrell at 7:30 P M in Brewster Memorial Hall.

Article 1. To see if the Town will vote to raise and appropriate \$25,631.50 to purchase a line truck. After a short discussion, it was moved and seconded to vote by written ballot with the following results; 54 votes cast—yes 32—no 22; majority needed 36, therefore it was a vote in the negative.

Article 2. To see if the Town will vote to authorize the Selectmen to borrow on credit of the Town \$25,631.50 on short term notes, and to authorize the Selectmen to fix the terms of said notes and to execute the same, and to provide that repayment of said notes be made out of the earnings of the Wolfeboro Municipal Electric Department.

Motion made and seconded to pass over article 2. Vote was unanimous. Moderator declared it a vote in the affirmative.

Article 3. No further business, the motion was made and seconded to adjourn at 7:50 P M.

ANNUAL TOWN MEETING

Warrant

STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Wolfeboro qualified to vote in Town Affairs:

You are hereby notified to meet at Brewster Memorial Hall in said Town on the second Tuesday of March next, from ten A. M. until 8 P. M. for the casting of ballots, and at 7 P. M. to act on the following articles:

ARTICLE 1. To choose a Town Clerk, one Auditor for two years, Treasurer, Collector of Taxes, and Town Constable for the ensuing year, one Selectman for three years, one Trustee of Trust Funds for three years, one Library Trustee for three years, two Water and Sewer Commissioners, one for two years, and one for three years, three members of the Budget Committee for three years, one Parks and Playgrounds Commissioner for three years, one Fire Commissioner for three years, two Municipal Electric Light Commissioners, one for one year and one for three years, and one or more Overseers of the Poor for one year.

ARTICLE 2. To choose one Highway Agent, or to instruct the Selectmen to appoint one Highway Agent.

ARTICLE 3. To choose all other Town Officers and Agents.

ARTICLE 4. To see if the Town will authorize the Selectmen to sell any property taken by tax title or otherwise.

ARTICLE 5. To see if the Town will vote to instruct the Selectmen to authorize the Tax Collector to allow a discount on real estate taxes if paid before December 1st, at a rate of discount not to exceed the rate at which the Town can borrow money on short term notes.

ARTICLE 6. To see if the Town will authorize the Selectmen to hire a sum of money necessary to pay expenses in anticipation of taxes.

ARTICLE 7. To see if the Town will vote to authorize the Tax Collector to appoint a Deputy under the provisions of Section 42, Chapter 80 of the Revised Laws of 1942 as amended by Chapter 7 of the Laws of 1945.

ARTICLE 8. To see if the Town will approve and adopt the recommendations of the Budget Committee and raise and appropriate the various sums contained in the report and listed in the Budget.

ARTICLE 9. To see if the Town will vote to raise and appropriate a sum, not to exceed \$1,000.00, for the printing in booklet form, of the Non-resident and Resident property assessments. (Submitted by the Budget Committee without recommendation).

ARTICLE 10. To see if the town will vote to raise and appropriate the sum of eight hundred (\$800.) dollars, to dredge out the fire hole on the Townsend Brook at the Moore farm to its original depth, according to the plan of Kenneth Berry. This will furnish water for fire protection for fourteen homes in this community. (Submitted by the Budget Committee without recommendation).

ARTICLE 11. To see if the Town will vote to raise and appropriate a sum, not to exceed \$11,500.00, for the purchase of a power street sweeper for the Highway Department. (Submitted by the Budget Committee without recommendation).

ARTICLE 12. To see if the Town will authorize the Wolfeboro Water and Sewer Department to borrow \$15,000.00 on ten year serial notes for the purpose of extending the six inch underground water main on Sewall Road, and install hydrants for approved class C Fire protection. This extension to be paid for, in part, by the \$50.00 underground main connection fee, and \$100.00 charge for each living unit connected. (Approved by the Budget Committee).

ARTICLE 13. To see if the Town will vote to raise and appropriate a sum not to exceed \$150,000.00 to construct a new transmission line and substation for the Electric Department, said sum to be raised by a Bond Issue. (Approved by the Budget Committee).

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of \$26,200.00 for the purchase of a Holan Bucket Truck for the Electric Department, the sum of \$20,000.00 of this appropriation to be raised by Serial Notes. (Approved by the Budget Committee).

ARTICLE 15. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 25th day of February, in the year of our Lord nineteen hundred and sixty three.

NORMAN A. HALE

LAWRENCE S. TOMS

EDWARD W. ZULAUF

Selectmen of Wolfeboro, N. H.

LAWRENCE S. TOMS

EDWARD W. ZULAUF

Selectmen of Wolfeboro, N. H.

Selectmen's Progress Report

General Items:

1. New roads added to the Wolfeboro Highway System are:
Canopache Road
Oakwood Road
Oak Street Extension
2. Improvements on Mast Landing have been made, and the left dock was replaced with a new one.
3. Once again, Libby Museum has had a profitable summer. Many people from all over the country have visited our museum this year. There has also been a steadily growing interest in Libby Museum from our own towns' people.
4. The exterior of Dockside has been painted, and some repairs were made on the hot-top surface around Dockside.
5. The survey of all Insurance policies has been completed, and the Selectmen feel the Town now has adequate coverage for fire and liability.
6. In the past year, 700 loads of fill have been put in the Back Bay area.
7. Street lights have been added to Allen Road, Forrest Road, the parking area behind the Town Hall, and on Route 28.
8. With considerable cooperation with the Municipal Electric Department, the first general revision of the tax inventory system in over 100 years, was undertaken. Utilizing the new addressograph machine, plates were made for individual tax payers. Previously this work was done by hand at a great loss of time.
9. Many of the dead trees on our highways have been removed, and plans are under way to transplant new maple trees in their places.
10. Troop E, of the State Police, are now making their headquarters in the conference room of the Selectmen's office.
11. Due to the retirement of Mr. Wayne Parkhurst, as Town Clerk, the Selectmen appointed Mrs. Alice Cole as Town Clerk. Mrs. Cole also serves as clerk of Selectmen, ably assisted by Mrs. Rachael Jones, who, also fulfills the duties of Deputy Town Clerk.

The Selectmen's Report

BUDGET COMMITTEE'S REPORT

The 1963 budget may be confusing because expenditures of the Water and Sewer Department and the Electric Department are included for the first time on instructions from the State Tax Commission. The total of \$518,095.00 is thus included, offset by a like amount of income so that the tax rate is not affected.

Deducting this amount leaves a recommended budget of \$239,480.63 for the Town departments compared with \$240,870.54 last year. The recommended school budget is \$289,372.08 compared with \$278,491.50 last year. Estimated revenues for 1963 are \$60,748.82 for the town departments and \$40,851.00 for the School District, a total of \$101,599.82. This leaves \$427,252.89 to be raised by property taxes, an increase of \$18,542.56 over last year. This increase is entirely offset by the fact that last year we appropriated \$18,200.00 to be raised by serial notes for purchase of highway equipment. Of course, county taxes must be added. Outside of the Water and Sewer Department and the Electric Department we do not propose any new borrowing.

Two requests for appropriations are submitted to the town meeting without recommendation of the budget committee. They are: \$1,000.00 for printing the property assessments in the Town of Wolfeboro for public distribution; and \$11,495.00 for the purchase by the highway department of a street sweeper.

WATER AND SEWER DEPARTMENT.

This is a self-sustaining department so that its income and expenses do not affect the tax rate. Because of expansion programs contemplated for the coming year we are recommending authority to borrow \$15,000.00 which will be wholly repaid out of income.

ELECTRIC DEPARTMENT.

This is a self-sustaining department so that its income and expenditures do not affect the tax rate. The expenditures we have recommended total \$477,910.00 which are offset by \$277,910.00 of anticipated revenue, \$150,000.00 to be raised by a bond issue and \$20,000.00 to be raised by serial notes.

One of the expenditures we are recommending is worthy of special comment. This item is \$147,822.00 for the construction of four miles of transmission line and sub-station to tie us in with the Public Service Company power.

Because of our increasing demand for power we are faced with the urgent need of either buying power as proposed or installing a new generator and plant. The cost of the latter would be considerably more than tying in with Public Service power and would not increase our capacity to our future need. Your budget

committee spent many hours on this subject and we are convinced that this proposal will not only provide us with all the necessary power for years to come but, most important, will provide us insurance against the dangers of breakdown.

Respectfully submitted,
Wolfeboro Budget Committee

Eliot U. Wyman, Chairman, Cecil E. Corkum, clerk, Howard C. Avery, W. Fred Tuttle, Chester C. Fernald, Howard E. Bean, Ford J. Smith, John P. Lillis, Leonard F. Hubbard, Dr. Lawrence S. Toms for the Selectmen, and Donald E. Savard for the School Board.

BUDGET FOR 1963

Estimates of Revenue and Expenditures for the Ensuing Year January 1, 1963 to December 31, 1963, Compared with Estimated and Actual Revenue, Appropriations and Expenditures of the Previous Year January 1, 1962 to December 31, 1962.

ALICE A. COLE

Town Clerk

TAX COLLECTOR'S REPORT

This is my thirteenth year as your Tax Collector. Each year seems more challenging and interesting than the preceding one. I find that people are more tax conscious, as Mrs. Nary and I receive many more inquiries at home nights and Sundays, plus those by mail, than we did a few years ago.

A few outstanding facts should be of interest.

For the Tax Year of 1950, the Property Levy to be raised by taxation was \$192,185.99, while for 1962, the Property Levy was \$435,154.42 raised by taxation.

It cannot be emphasized too strongly that Poll and Head Taxes are Demand Taxes, and are due when the bill is presented. Should a person who is liable not receive a bill, it is that person's responsibility to ascertain why.

Persons signing an application for a driving license, registration of a car, fishing or hunting license, should read carefully the affidavit before signing, as the Poll and Head Taxes for the previous year must be paid before applying.

Tax payers applying for the Veterans Exemption need to be sure that ALL outstanding taxes are paid by April 15th of the year following the levy. The application must be filed by April 15th. Last year a number of applications were disallowed.

Persons involved in the transfer of property should notify the Board of Selectmen of such a transfer, giving the name and address of the new owner. When there is a change of address, the Board of Selectmen and the Tax Collector should be notified. Each year many tax bills are delayed in mailing because of the lack of an accurate address.

If there is any question as regards a tax bill should be inquired into promptly, in order to avoid interest charges for delayed payment after December 1st of the tax year.

The Tax Collector maintains regular office hours three days a week, Tuesday, Thursday, and Saturday, from 9 A. M. until 1 P. M., at the Town Offices, and is available at home. Part time Tax Collectors are only required by Statute to be at the Town Offices one day a month. The Tax Collector of Wolfeboro is classified as a part time officer, and so compensated.

GEORGE W. NARY
Tax Collector

REPORT OF HEALTH OFFICER

JAMES E. BOVAIRD, M. D.

Wolfeboro, N. H.

January 5, 1963

Subject: Report of Health Officer for the 1962 Town Report

The past year has been a healthy year as far as contagious diseases are concerned. There were some cases of measles and chicken pox, but no case of poliomyelitis was diagnosed. This dread disease has been practically eliminated by the injectable and oral vaccines.

The health of the children in the schools has been carefully followed by the school physician and nurse, Dr. Gregory and Mrs. Elizabeth Brown, respectively.

The availability of adequate nursing homes for the elderly remains a problem, with the present homes running to capacity and doing a very excellent job.

There have been fewer sanitation problems this past year. Trained personnel at the beaches and the ski slope has kept the accidents to a minimum.

Respectfully submitted,

(Signed) James E. Bovaird

James E. Bovaird, M. D.

Health Officer

TOWN ROAD AID

Pork Hill has been gravelled and has had a 3 inch mix, and is now ready for a sealing coat to be completed.

Beach Pond Road has had brush and trees cut for rebuilding a new road from Ernest Kenney's to Stockbridge Corner.

ROADS RESURFACED WITH TAR

Pine Street
Forest Road from Main St. to top of Wyanoke Hill
Sewall Road
Whitten Neck Road
Pleasant Valley Road
Glendon Street
Trask Mt. Road from North Wolfeboro to top of hill
Dallas Road from Main road to Robert Hopewell's
Macomber Road by Trask Place
Oak Street Extension
Carroll Hersey intersection
Waumbeck Road

There has been two mixes of patch for summer, also 150 tons for spring use in 1963

TOWN ROADS

There has been a great deal of sand and gravel put on our dirt roads during springtime, also rocks have been taken out, culverts been put in and old ones relayed, catch basins cleaned, and many ditches were cleared, some with outside backhoe.

Dead trees and limbs were cleared to save on snow plowing and tarring. In places the roads have been widened, our tractor

has done mowing and hand work was done on end of culverts.

The Highway Department has worked with all Town Departments when needed to help carry on their work, also worked on turn-arounds for school busses and built one new one.

River Street has been gravelled and had one coat of tar.

Cotton Mt. from Thurrell's black top to the Dallas Road has been gravelled and one large culvert replaced, and also had one coat of tar.

Varney Road has been widened and gravelled on half; the other half to be done in 1963.

Canopache Road has had one new culvert and been gravelled due to the Water Works Water line.

The Highway Department is now in charge of the three dumps with one man to care for same. When needed, sand is hauled in to cover, and a Highway truck picks up rubbish and garbage every day where needed, other places every other day. Rubbish cans have also been placed on the Main Street.

The tractor shed has been clapboarded and painted, has new overhead doors, cement floor and drain and new steps.

CLIFFORD H. STOCKBRIDGE

Highway Agent

Wolfeboro Water and Sewer Department

SUPERINTENDENT'S REPORT FOR 1962

WATER DEPARTMENT

Wolfeboro, N. H., January 15, 1963

Much was done this year in the line of new construction and to improve service.

1654 feet of 6 inch Universal pipe was laid on Center Street, starting at the Legion Hall and running over to Louie Paolucci residence, doing away with 4 inch bottle neck. Three (3) new valves were installed for better control.

534 feet of 6 inch Universal pipe was added to Sewall Road line, giving year round service to 6 customers, plus one (1) new hydrant.

335 feet of 2 inch wrought iron cement lined pipe was laid up Copley Hill to replace old 1¼" galvanized pipe which was rusted out, giving better service to 7 of our customers.

888 feet of 6 inch Universal pipe was laid on Canopache Road due to the housing development on Anagance Lane.

576 feet of 6 inch Universal pipe, also one (1) new hydrant was laid on Anagance Lane, also 485 feet of 2 inch galvanized pipe, giving service to 16 house lots.

525 feet of 2 inch galvanized pipe was laid for Mrs. Goodwin's house lots off Forest Road. This line will service 7 lots.

1709 feet of 1¼" galvanized pipe was laid on Middleton Road from Robert Hale to Kenneth Douglas.

2037 feet of 2 inch galvanized pipe and 252 feet of 1¼" galvanized pipe Summer line was laid to service Museum Shores development. Services for 8 lots plus.

3 Hydrants were replaced at:

George Blacks — Sewall Road

Navy Yard — Sewall Road

Malone Mills — River Street

All department hydrants were painted and color coded; red for high pressure; yellow for low pressure.

24 New year round services were connected.

5 Summer services were connected.

28 Services were relaid or reconnected.

32 Repairs to services, from broken corporation cocks to curb box tops.

4 Services relaid from curb box to house.

1 Repair to main on Forest Road due to bad valve.

19 Repairs to summer mains due to snow plows and natural causes (no freeze ups).

9 Repairs to summer services.

3 Water meters replaced.

165 feet of 4 inch Transite pipe was laid from pit at South Main Street Standpipe for drain.

The chlorination site has been chosen back of the Bert Eldridge farm on Beech Pond Road and work begun. The road, test line, and cellar drain have been installed. Also the floor. The fittings plus an 8 inch water meter will be installed in the lines before the building is built. Due to weight of fittings and room required to install them, the building will be of poured concrete and cement block construction.

The Board of Health checked our water at least once a month. They also kept check on it for algae.

With the exception of a backhoe and operator, all work was done without hiring additional labor.

I wish to thank my Commissioners and crew, and other Departments, for their help and cooperation.

H. FRED OSGOOD,

Superintendent

SUPERINTENDENT'S REPORT FOR 1962

SEWER DEPARTMENT

Wolfeboro, N. H., January 15, 1963

Due largely to work scheduled for the Water Department, there was very little time or money for expansion in this department.

The department answered 40 trouble calls, 6 of which were main line, mostly due to roots.

8 New services were connected.

5 Services were replaced or relocated.

1 New manhole was installed on Factory Street.

There was a 60 foot extension made on the Bay Street main for one (1) new service.

Also 70 foot extension on North Main Street to take in new house being built.

One (1) pump had to be rebuilt in the Factory Street lift station.

The department was checked by the Board of Health from Concord a number of times this year.

Our greatest concern is still cellar drains and water infiltration into lines.

People with drains other than what are required are asked and cautioned to please take them out.

H. FRED OSGOOD,

Superintendent

Wolfeboro Water and Sewer Department

PARKS AND PLAYGROUNDS

COMMISSION REPORT

The following have been accomplished :

A memorial stone, donated by Mr. Lowe of Union, engraved CATE PARK, has been erected on the Park lawn. The landscaping program has progressed with more walks reset, and shrubs cut back. Extensive repair work was necessary on the Brewster Campus Benches.

Brewster Beach needed repairs on the various buildings and equipment. A paddle board was purchased as a life saving device, for the Swimming program. The pathway from Clark Road to the beach has had fill dumped and graded. All portable equipment has been removed and stored at the Clark Shop.

The Ski Slope entrance has been rebuilt, with new culverts and one thousand loads of fill, to bring it level with Route 109A. The road has been widened at the intersection to the gravel pits. A well has been dug, plastic line laid, and water is being pumped into the hut. Two new trails were laid out; one completely cut and brushed with a graded run off at the bottom. The tow line sheaves were realigned with a transit and a 4-grooved, V-belt sheave was installed at the top to avoid the slipping and unnecessary wear of the rope. At the bottom of the tow line, a new hole was dug for the dead man and the gates were relocated. The bottom of the slope has been widened and brushed. The major portion of the work and improvements of the Ski Slope was donated.

The Parks and Playgrounds Commission thanks all the individuals, businesses, and Town Departments who have donated time, money, labor, materials, and advice during the year, toward the successful execution of the Commission's responsibilities.

Respectfully submitted,

ANNE W. VINNECOMBE

Chairman

Report of the Public Health Nursing Committee

1962

With the able assistance of Mrs. Elizabeth Brown, R. N., the Public Health Nursing Association of Wolfeboro and vicinity continued through the year 1962 with primarily the same program as for the past few years. While Mrs. Brown was on vacation, the district was covered by Mrs. Glenna Lillis and Mrs. Nancy Bean.

Doctor Harold Gregory, with the assistance of volunteers, did 562 school physical examinations, these included certain grades of Brewster Academy, Carpenter School, Tuftonboro School, South Wolfeboro School and athletic teams.

A total of 515 urinalysis tests were completed including phenylketonuria tests at Doctor Gregory's office on all South Wolfeboro School children. Tuberculosis "patch" tests were done by Miss Catherine Aguirre, "TB nurse", and Mrs. Ardra Piper on 1-4-7 grades of Carpenter and Tuftonboro School children and Brewster students. Ten positive "patch" cases found were X-rayed at Huggins Hospital and found negative. A total of 485 hemoglobin tests were completed by Mrs. Ann Bierweiler and Mrs. Lucille Fahlman. It was noted that an unusually high number of first grade children did not pass the test. Audiometry, vision screening and heights and weights were checked on 790 pupils.

The orthopedic clinic was held at Huggins Hospital in April with Doctor Halfman in attendance. 27 children were examined.

Children have been taken to State Clinics for mental hygiene, to "Crippled Children Services" for epilepsy and hearing problems, and put on the State Sight Conservation Service.

The Dental Clinic was held from January through June treating 86 children.

There were 7 Immunization Clinics as follows: Salk poliomyelitis immunizations 402, Diptheria, Pertussis, Tetanus immunizations 86, Diptheria and Tetanus immunizations 70, Smallpox 32, Sabin oral poliomyelitis vaccine 467.

There were 264 Public Health Home Nursing visits, 244 miscellaneous home visits and 31 Doctors office and Hospital visits.

Many of the above services could not have been accomplished without the generosity and aid of a large number of individuals, doctors, dentists, and charitable organizations. The Nursing Committee wishes to thank everyone who has helped in any way to make this program a success.

Respectfully submitted,
SADIE F. THAYER
Chairman

Report of the Wolfeboro Youth Center

The Wolfeboro Youth Center continues to be the home of the Cooperative Kindergarten and the Boy Scouts and the Girl Scouts. The Directors of the Youth Center meet regularly to plan for the maintenance and improvements of the building.

During the past year an additional room was acquired and through the cooperation of the Selectmen and the Town, major improvements are under way. The ceiling has been lowered, new lighting installed, a new tile floor has been laid, and materials for new wall covering are on order. Except for specialized areas, the actual work is completed by volunteer labor.

The Directors wish to thank everyone who has helped during the past year, especially the American Legion, for making space available at their Fourth of July Midway. Proceeds from this booth appreciably improved the Youth Center's cash balance. They also wish to thank all of the Town departments and the Wolfeboro Lions Club for their continued support.

The Youth Center is available for use by organized youth groups, on a cooperative basis within scheduling limitations.

Respectfully submitted,

CHARLOTTE G. McDERMOTT
Secretary

Report of the Librarian

To the Board of Trustees of the Wolfeboro-Brewster Memorial Library.

Gentlemen:

The report of the librarian for the year ending January 1, 1963 is herewith presented:

As the circulation figures indicate, it has been a busy year at the library. However, such figures provide only one means of measuring work done since the time spent in an attempt to provide guidance to readers cannot be measured; nor the time spent in choosing books for an ever increasing demand for information on current subjects.

One event of special interest and value in the promotion and expansion of library service during the year was the book service to shut-ins made possible in the beginning by the volunteer services of Mrs. Norman Hale. Another outstanding event was the observance of Book Week when Miss Shirley Barker, a New Hampshire author of a number of books, visited the Library and spoke on the subject of her historical novel "The Last Gentleman," who was Governor Wentworth.

National Library Week and Children's Book Week were further observed by the display of new books in Mr. Howard Avery's office window and at the library. Throughout the year special occasions were noted by exhibits of material appropriate to the season, or the event. At Christmas time the fireplace was opened and the mantel decorated.

The librarian and assistant librarian spoke again this year at the annual meeting of the Women's Society of the Congregational Church on the subject of the books listed on the Congregational-Christian reading list, and distributed mimeographed lists of such books as were available at the library. The librarian served on a panel discussion of library service at a meeting in Alton in November.

Also the librarians attended several library meetings during the year, including the annual New Hampshire Association meeting at Manchester and the New England Association meeting at Swampscott. The cancelled district meeting of last year was held at the library when the subject of discarding was discussed. At Manchester, Mrs. Wayne Shipman, library assistant, was present to receive her scholarship award to attend library school at Durham during the summer.

Changing times in world affairs bring about changes in libraries. Now there are excellent paperbacks which may be used to extend the budget as well as free and inexpensive pamphlets, which a small library may use to good advantage.

As this report will indicate, the gifts of books, including memorial books, and money were unusually large. For all of these gifts which show an increasing interest in the work of the library, the librarian is very grateful. A special gift of money for binding books was very much appreciated.

The summer work is always a very pleasant part of the library year, when the previous borrowers return and new ones are welcomed. This year the circulation reached an all-time high. The librarian was grateful that all books were returned.

The circulation of books and magazines for the year was 35,893 of these classes: adult fiction, 14,714; non-fiction, 9,753; children's, 11,426. Four hundred and seventy-three new cards were issued. The largest day's circulation was 249 and the smallest eighteen. Six hundred and thirty-five new books were added, and of this number, 109 were contributed. Two hundred and fifty-four books were borrowed from the State Library by mail and 678 by the Bookmobile, a service which continues to be of increasing value to the library.

LIBBY MUSEUM TRUST

Trustees of the Libby Museum
Wolfeboro, New Hampshire

Dear Sirs:

The following is a report of the Libby Museum for the year 1962:

Donations	\$977 45
Post Cards	9 40
Maps	15 75
Paintings	9 00
Total	<hr/> \$1,011 60

The museum had a good season once again. Each year it seems as though visitors come from more states and foreign countries. This year forty-two states and eleven foreign countries were represented.

The exterior of the building has been much improved through the combined efforts of the Garden Club and you, the Trustees. The shrubs have added greatly to the beauty of the building and they will continue to enhance it in years to come.

Several small gifts were donated to the museum this summer. The people who have made these donations are both young and old. They all share a common interest to continue to help the museum grow.

The art classes have proven to be most successful; much interest has stemmed from them. Three teachers, one for children, and two for adults, made it possible for students to take lessons two days a week.

The summer of 1963 should be another good year. Thank you to everyone who helped to make 1962 a good one at the museum.

Respectfully yours,

WILLIAM B. CARPENTER
Director

Wolfeboro Historical Society

Wolfeboro, N. H.

January 21, 1963

Board of Selectmen,
Wolfeboro, N. H.

Gentlemen: —

We would like to present the following brief report of the activities of the Wolfeboro Historical Society during 1962.

The Museum buildings were open to the public from July 2 until September 1, Monday to Saturday inclusively, 10:00 A. M. to 12:00 A. M. and 2:00 P. M. to 4:30 P. M., except July 4, with Mrs. Lloyd Hamm as Supervising Hostess.

The same daily time schedule has been approved for the coming summer from July 1, to September 7, inclusively excepting holidays.

A program of meetings was planned and carried out by the Program Committee under Mrs. William Herbert and the Hospitality Committee with Mrs. Howard Sabin as Chairman.

The prize of \$5.00, given by the Society for the best essay written by a Carpenter School pupil as part of class room work after visits to the Museum, was won by Linda Ballentine.

Our Librarian, George Fitch, continues to answer requests for historic and genealogic data. He is glad to assist anyone in this way when possible, and also to receive similar information. Among other interesting Library gifts during the year, was a complete file of the magazine "Troubadour", the predecessor of the "Profiles."

A considerable amount of work was done by members of the Society on the June "Work Day" in painting inside and outside both Museum buildings. An important improvement in the school-house was made at the Society's expense by installing a sink with a faucet connected to the Clark House water system.

An "Antique Exhibit and Sale" was managed by Henry Stevenson, with Mrs. Howard Avery caring for the collection and sale of material by the Society. Eleven sales wagons belonging to outside dealers were present.

A tour of interesting old houses, including the Christian Church, was supervised by Mrs. C. C. Macomber.

An ample supply of indexes for Parker's Wolfeboro History is available by contacting Mr. Richard W. Detscher, Treasurer, but, unfortunately, there are no more copies of the History for sale.

Yours respectfully,

R. E. ARGERSINGER,
President

CIVIL DEFENSE REPORT

Inventory and records were made of all Civil Defense properties belonging to Department of Civil Defense, Wolfeboro. A town plan was filed with State Department. A briefing was held by Operations Officer of State Agency for Civil Defense staff in Wolfeboro.

A Federal Survey was made for Approved Fallout Shelters within town limits. There was only one such found and it is quite limited—the basement of the U. S. Post Office. It is not large enough to be stocked for public use. Wolfeboro would have to rely on private or makeshift shelters to protect its citizens.

Plans for 1963 will include a properly trained and accredited auxiliary police force for the Town of Wolfeboro. Also, a communications department will be an asset.

WILLIAM C. COPE,
Director

VITAL STATISTICS FOR 1962

BIRTHS

Date	Name of Child	Name of Father	Maider Name of Mother
Jan.			
4	Thomas Blaisdell	Tenny Monroe Wheeler	Shirley Louise Craigue
4	Jerry Benjamin	Paul Garden Valley	Lois Ann Welch
7	Brian Wayne	Wendell William Deuso	Jeannette Love Pineo
12	Darlene Ann	Donald Winthrop Eldridge	Beverly Arlene Blake
13	Laura Lee	Kenton Eugene Steadman Jr.	Loretta Avis Blodeau
17	James Christopher	Armond Joseph Soucy	Louise Laura Swinerton
20	Michael Wayne	Ralph Fred Eldridge	Madeline Elsie Frost

Wolfeboro Board of Adjustments

REPORT FOR THE YEAR 1962

During the year 1962 the Board of Adjustment passed decisions on twenty-one appeals from rulings set forth by the Wolfeboro Planning and Zoning Commission in their Ordinance as amended through April 28, 1961, and changes passed by the Town meeting of March 13, 1962.

The appeals submitted fell into six categories as follows:

1. Trailers, five appeals
2. Signs, five appeals
3. Set-backs, two appeals
4. Non-conforming use, six appeals
5. Land Subdivision, one appeal
6. Lot sizes, two appeals

During the year there were two changes in membership of the Board — Theodore Malone and Leonard Hubbard replacing Nat Goodhue, whose term expired, and John McDermott resigned. The present Board consists of Ellis F. Miller, Chairman; Edward S. Hatton, Clerk; W. Fred Tuttle, Theodore P. Malone, and Leonard F. Hubbard.

In the past, all expenses of the Board have been borne by the Selectmen, such expenses having been paid out of the town officers' account. However, since the advent of the Zoning Ordinance and Amendments, the number of appeals have multiplied to a point where it is felt that these expenses should no longer be borne by the taxpayers as a whole.

Therefore, in order to put this Board on a self-supporting basis, it is recommended that a fee of \$10.00 should be charged and accompany the application for appeal. It is proposed that an article be inserted in the forthcoming Town Warrant in support of legislation to this effect.

Since this Board operates on a gratis basis, and since the provision under Article VII of the Zoning Ordinance requiring three members of the Board to view the property under appeal, it can be foreseen that mileage may be charged for such travel expense. To date no member has charged this expense, but it is felt that members of the Board are rightfully entitled to such expenses.

According to available figures the administration expenses during the past year are as follows:

Advertising	\$70 00
Administrative:	35.00
Renting Hall:	6.00
	<hr/>
	\$111.00

It is the feeling of the Board that future consideration be given to more strict enforcement of the decisions handed down. There are a few cases in which conditions attached to decisions have not been carried out, thus defeating the purpose for which they were intended. In the majority of cases, however, it is felt that the appellants have been very cooperative in the rulings set forth.

Respectfully submitted,
(signed) ELLIS F. MILLER
Ellis F. Miller, Chairman

Fire Commissioner's Report

1962

In the year of 1962 it was found necessary to spend the sum of \$910.93 to reenforce the flooring timbers and replace the floor of the Fire Station. We regretted the necessity of spending such money on this building but the added weight of our newer equipment made it mandatory. The town should give serious consideration to replacing the present station in the not too distant future.

We now have 23 Plectron Alerting Radios placed in the homes of those firemen living beyond the normal range of the whistle. These have proved to be a very satisfactory method of alerting these men.

We are glad to report that we were able to persuade Chief Guy Foss to reconsider an offer from the Hanover Fire Dept. and stay in Wolfeboro. It was our opinion that it would have been difficult to replace him with anyone else having the same degree of experience and capabilities.

Your Commissioners thank the Chief, Department Members, and all others for their cooperation during this past year.

EUGENE F. LEHNER SR.
ELLIS F. MILLER
FORREST J. DURKEE
Fire Commissioners

Chief Engineer's Report

To the Board of Fire Commissioners and the Inhabitants of the Town of Wolfboro:

I herewith submit my reports for the year ending December 31, 1962.

The department answered a total of 68 calls of which 7 were box alarms, 2 brush fire alarms, 3 engineer's calls, and 56 still alarms. The engineer's calls were for mutual aid to out of town departments, the box alarms were for building fires in town, the brush fire alarms in town were caused by children playing with matches, and the still alarms were for 12 automotive equipment fires, 11 electrical appliance fires, 8 open burning fires, 7 flooded oil burners, 4 chimney fires, 3 gasoline spills, 2 smoke scares, 2 children playing with matches, 2 oven fires, 1 lightning strike, 1 careless smoking, 1 rekindle from another fire, 1 unknown, and 1 person locked out of their house.

In responding to these calls, the department employed approximately 376 man hours of labor, traveled 249 miles, laid 2500 feet of 2½ inch hose, 3700 feet of 1½ inch hose, 2125 feet of ¾ inch hose, raised 291 feet of ladders, and used 26 lbs. of Dry Chemical.

The estimated value of property, where there was loss from fire, was \$116,250.00, the insurance value \$107,650.00, the estimated loss \$27,420.00, and the insurance paid for actual loss \$21,353.00. One insurance loss has not yet been completed.

The department completed 56 oil burner installation inspections, checked several L. P. Gas installations, and made fire inspections of buildings as requested by the owner. Fire Drills here held at both schools and in the dormitories at Brewster Academy. A 16 hour rescue and fire training program was given for the personnel at Huggins Hospital. Two members of the department attended the Lakes Region Fire School at Gilford, N. H. and 10 members the N. H. State Fire School at Fitzwilliams, N. H.

I want to thank the citizens of the town, the fire commissioners, all town officers, and all department members for the excellent cooperation given to the fire department at all times.

Respectfully submitted,
GUY L. FOSS

Forest Fire Warden's Report

PREVENTING FOREST FIRES IS OUR RESPONSIBILITY

Costs of suppressing carelessly set outdoor fires in New Hampshire in 1962 cost the persons responsible \$5,545. In the same period, the cost to the cities and towns for control of such fires for which no responsibility could be placed cost another \$24,634. What utter waste of tax money and what shameful and needless loss of timber and esthetic values in the 2200 acres burned. Residences, farms, and other business places were threatened with possible total destruction.

Carelessly set man caused fires can be prevented if every citizen remembers his responsibility in regard to any source of fires in the open. We can help to keep our fire loss low by remembering these simple rules.

1. Dispose of burnable waste at the town dump.
2. If waste or brush is to be burned on the premises, obtain a permit from the forest fire warden. Seasonal permits may be issued for approved incinerators and sites.
3. Burn safely by picking a clean site, avoiding dry windy weather and preferably burning late in the day.
4. Have something to keep the fire under control—pails of water, garden hose, sprinkling can, broom for grass fires or shovel will help.
5. Be sure your fire is dead out before you leave it.
6. If the fire gets out of control or if you see a fire out of control, report promptly to your warden or fire department. Continue to fight it until help arrives.

There is potential danger when matches fall into the hands of children. It is never too early for parents to instill in the child's mind a respect for fire.

Keep our town safe from fire.

In 1962 we had 2 fires.

We burned $\frac{3}{4}$ acres.

Permits issued, 524.

Forest Fire Warden
GUY L. FOSS

District Fire Chief
ROBERT W. SMITH

Municipal Electric Department

For the year ending December 31, 1962

REPORT OF THE COMMISSIONERS OF THE MUNICIPAL ELECTRIC DEPARTMENT

Generation

A total of 8,980,410 kilowatt hours was generated during 1962. The peak load for the year was 2620 kilowatts recorded at 9:00 P. M. Friday, August 10.

In order to provide for the ever increasing demand for electricity it is recommended that a transmission line be constructed and a substation installed so that energy can be purchased from a nearby utility. This recommendation is based on a comparison of the costs and merits of additional diesel generation and purchase power and is supported by an independent study made by Charles T. Main, Inc..

The cost of adding 2000 kilowatts of diesel generation would be \$250,000. In order to add a new diesel it would be necessary to remove the old diesel purchased in 1928. The net gain in capacity would be 1760 kilowatts at a cost of \$142.00 per kilowatt. As demands for electricity increase in the future it would be necessary to add diesel generation at a cost of at least \$250,000.00 or purchase power.

The cost of the transmission line has been estimated at a cost of \$18,500.00 per mile. The Department will construct and maintain the line from the Tuftonboro-Wolfeboro town line to the power plant (approximately 5 miles) at an estimated cost of \$92,000.00. The exact distance will depend on terrain, right of ways, and ease of construction. The substation of 3000 kilowatts capacity will be installed near the power plant and connected to the present distribution system at an estimated cost of \$56,000.00. The total project cost is estimated at \$148,000.00 or approximately \$50.00 per kilowatt.

The Public Service Company of New Hampshire will construct and maintain the transmission line from Tuftonboro to the Tuftonboro-Wolfeboro town line and will sell power at their Primary and Secondary rates. Based on 1961 generation and cost, a savings of approximately \$30,000.00 per year can be realized.

Provisions for the transmission line and substation will be included in the Department Budget for 1963.

Accounts Receivable

As in the past the Department has been lenient and understanding in extending credit to its customers. This policy will continue in effect but with modification. Unfortunately there have been some customers, who have taken advantage of and misunderstood the intent of the Department regarding the extension of credit. There are other customers who have inferred that partiality and discrimination have been practiced. There are other

customers who pay their bills promptly (and the majority of customers do) and are thus supporting those who ask for credit. Privately owned electric utilities do not extend credit beyond a very limited time. To eliminate unjust criticism and to initiate a firm policy, the following procedure will be effective on publication of this report.

A. Credit will be approved if the customer proves undue hardship and the need for electric service. This should not be misinterpreted to mean unlimited credit nor credit for a prolonged period of time. Monthly review of each account and of the specific needs will determine the terms.

B. Prepayment meters will be installed and rented to customers desiring this means of paying on past due accounts. Except under special conditions, prepayment meters will not be installed unless there is an outstanding balance.

C. Bills for electric service are due on presentation and payment can be made at any time prior to the date of the next monthly charge without penalty.

D. A discount of 5% will be allowed on current bills for electric service paid within 15 days of the billing date. Discounts will be allowed on bills starting April 1, 1963. No discount will be allowed on minimum charges.

General

At a Special Town Meeting the Department acquired the use of the Bell Shop on Factory Street for office space and a line materials stock room. It is anticipated that the first floor of the Bell Shop will be remodelled with space provided for the Water and Sewer Department offices. The use of the Bell Shop provide an opportunity to consolidate the entire Department operations in one small area resulting in efficiency through better control. Provisions have been made for the Department to vacate the Bell Shop should it be for the best interest of the town (if, for instance, an industry should desire to use the building for manufacturing).

Included in the Department budget is a double bucket line construction truck mounted on a Chevrolet chassis at a cost of \$26,200.00. The basic purpose of this equipment is to place two linemen at the right spot for line construction, line maintenance and tree trimming and do it safer, and quicker. Of all new equipment being presented to the utility field, the "bucket truck", without doubt, contributes most to the safety of the linemen.

Due to the design, compactness and versatility as much work can be accomplished by two linemen using a "bucket truck" as normally can be done by a regular 4 man crew using a conventional line construction truck. It is recommended that the present Chevrolet Line truck be disposed of by sale.

Respectfully submitted,

EDWIN CRAIGUE

L. N. ANDERSON

H. H. BODGE

AUDITOR'S CERTIFICATE

We have examined the accounts and balance sheets of the various Town Officers. Our examination was made in accordance with the auditing standards as required by the State Tax Commission, and included such tests of the records and other supporting evidence we considered necessary. In our opinion the statements herein present fairly the results of the operations of the Town Officers for the year 1962.

YOUR TOWN

If you want to live in the kind of a town,
 Like the kind of a town you like,
You needn't slip your clothes in a bag
 And go on a long, long hike.
You'll only find what you left behind,
 There's nothing that's really new
It's a knock at yourself when you knock at your town,
 It isn't the town, it's you.
Real towns are not made by men afraid
 Lest someone else gets ahead;
When everyone works and nobody shirks
 You can raise a town from the dead.
And if you make your personal stake,
 Your neighbor can make one too,
Your town will be what you want it to be,
 It isn't your town . . . it's Y O U.
